

JENNIFER is an accomplished horseback-rider. The 18-year-old started riding when she was 6 and living in Florida at the time.

She took part in several state-level competitions and was crowned the Grand Champion in her jumper's division when she was 15.

She credits her looks, in particular, her eyes, to her mixed parentage.

Her mum is from Indonesia and her dad is Italian-Ukrainian.

She says: "Many people say I have really mysterious eyes, whatever that means."
