

THE Rowenta Lissima is the world's first hair dryer that also has a built-in hair straightener.

As a traditional hair-dryer, it comes with two power settings (500W and 1,000W) and a Cool Switch which provides cooler shots of air which aid in setting hairstyles.

HAIR TIP: Avoid putting too much products in your hair. Too much mousse, gloss, wax or leave-in conditioner will weigh down hair and lose its gloss.
