

Revathhi

REVATHHI may be petite (she stands at 1.57m) but she's not shy or timid. Quite the contrary, it seems. The 19-year-old final year Nanyang Polytechnic Media Studies and Management student loves trying out new experiences, and would jump at the chance to skydive and bungee jump. She says: "How often do you get to jump out of a plane from that high up?"

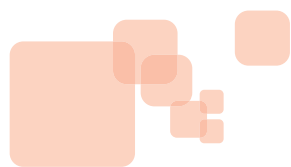

20 Things about Revathhi

I am always optimistic.

I love things that provide an adrenaline rush.

I do things that I so regret whenever I get angry. That's my worst point.

My 18th birthday was one of the best I've ever had. I had five cakes in 24 hours. My friends made me feel like a princess!

Red makes me look fabulous.

I go for the songs with nice lyrics.

I like the Black Eyed Peas. They have catchy songs and they are very fashionable.

I love the movie Panic Room. I love suspense and was kept on edge throughout the movie.

I always ask for extra cockles when ordering laksa.

Better in Time by Leona Lewis is what's playing on my iPod now.

My dog Sebest makes me smile.

I don't cry that easily.

I want to visit Italy to see the Leaning Tower of Pisa. I have been totally fascinated by it.

I might consider living in the countryside. It's relaxing.

I only SMS when I'm bored.

No amount of dancing could beat watching TV with my mum and sister at 3am. It could be called a girls night 'in'!

If I could date one celebrity, I would choose Will Smith.

I want to start exercising more and also eat more vegetables.

If there is one thing I could change, I would ensure everyone can have two proper meals a day!

I don't like doing things alone. If there is one thing that really irks me, it would be loneliness.
